

# Bee-Free Fiesta

A wonderful meal is planned:

## Menu

Chips and Salsa

Tortillas

Fajitas made of

Chicken, Red & Green Bell Peppers, Onions

Refried Beans

Rice

Guacamole

Lemonade

But if all animal pollinators were to become extinct which of the foods on our menu would be eliminated?

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

**Hint:** Some of the more common foods that we enjoy from animal-pollinated plants include tomatoes, onions, avocados, beans, green peppers, chili peppers, lemons, limes, and oranges, berries, vanilla, sugar, almonds, watermelons and apples.
